

Stop TB Partnership

SUMMARY SHEET			
Agenda Nr. 1.05-8.0	Subject	Progress on Drug Development	
<u>For Information</u>	For Discussion	For Decision	
<p>Introduction</p> <p>In the past year, members of the Working Group on TB Drug Development have significantly advanced the TB drug pipeline. There are 7 compounds either in or entering clinical trials in 2005 and 10 promising leads in the discovery phase (summary document of pipeline attached).</p>			
<p>Summary</p> <p>This presentation will review the progress of the Working Group member projects in the last year and present upcoming opportunities in the field of TB drug development.</p>			
<p>Decisions requested from the Stop TB Coordinating Board</p> <p style="text-align: center;">None.</p>
